

20 July 2023

Dear Ninette,

Many congratulations to you, your leadership team, the governors and all of the staff and pupils of St Joseph's Catholic Primary School on your successful CSI inspection.

The report highlights very well that St Joseph's is a vibrant Catholic community firmly rooted in the example and teachings of Christ. It was wonderful to read that the children have a genuine understanding of the school's mission and are actively engaged in helping the less fortunate to live 'life to the full'. The school's emphasis on professional development, in relation to subject knowledge, has greatly enhanced the learning experience for the children and in particular, your focus on scripture. Religious Education lessons are skillfully planned to be creative with lots of opportunity for reflection, which will serve as excellent preparation for the transition to secondary school. St Joseph's is a prayerful community, and a great deal of time and energy is spent developing this dimension to ensure it is meaningful for all. What really comes across is that the children at St Joseph's are confident, articulate and well equipped to make a valuable contribution to the Common Good today and in the future.

As always, it is the sustained efforts and energies of the head, leaders and governors to their school that enables all members to develop and flourish.

The report has now been published on the Diocesan website, it is, therefore, ready for you to share with parents and to publish on your website.

We want to improve the quality of what we do and your reflections on the process will help us with that. To that end, I would be grateful if you would complete the attached monitoring form and return it to me at your earliest convenience.

With every good wish,

**Nancy Conoboy**  
Chief Inspector of Schools
