Indicative PPG 2023/2024 (based on pupils on roll September 2023- pupils eligible)	£56785
Report compiled by	Kevin Bowles
Link Governor responsible	Dionne Thomas

Objectives/Outcomes of PPG spending
<i>Objectives in spending PPG:</i>
<p>At Joseph's, we are dedicated to providing quality teaching and learning opportunities to meet the needs of all pupils, particularly vulnerable and disadvantaged pupils.</p> <p>The Pupil Premium funding we receive is used to ensure that all disadvantaged children are supported in making progress towards meeting or exceeding age related expectations. This progress is continually monitored and reviewed and funding and resources targeted effectively to help accelerate progress and close gaps in learning.</p> <p style="text-align: center;">Our main aims are to:</p> <ol style="list-style-type: none"> 1. Close any gaps in attainment for disadvantaged pupils, compared to their non-disadvantaged peers, in all subjects 2. Maintain high expectations and standards for pupils eligible for Pupil Premium 3. Ensure all pupils are given the same opportunities to develop their potential and participate fully in extra- curricular activities in and outside of school
<i>How the money was spent in 2022-2023</i>
<ul style="list-style-type: none"> ➤ One to one tuition for Years 5 and 6 pupils eligible for pupil premium who were at risk of not meeting the expected standard in Maths at the end of KS2 – Third Space Learning. Although this has been successful in the past, the quality of adult interactions has declined. So we have decided to take a more targeted approach using our own staff through booster classes. ➤ One to one reading support to enable pupils to make progress towards end of year/key stage expectations. Our collaboration with Beanstalk is positive and children respond well. ➤ Psychotherapy support for individual vulnerable pupils. This spend to remain, more families have been helped post Covid ➤ Financial support for disadvantaged children to access out of school activities such as residential trips workshops and outings in all year groups. <ul style="list-style-type: none"> ➤ English & maths booster classes for pupils in Years 1 to 6. ➤ Support Staff– All classes, from Nursery to Year 6, to have a teaching assistant which is over and above standard pupil to teacher ratio to support identified children and deliver additional interventions where needed. <ul style="list-style-type: none"> ➤ All PPM children to receive books from visiting authors ➤ Uniform and school equipment on a point of need basis. ➤ All children to be offered after school clubs each term. ➤ Art therapy, specialist provision – e.g. Dyslexia support, literacy support. <p style="text-align: center;">TOTAL: £57450</p>
